

You can improve oral health outcomes for children in the early years

let'sbrush

Daily supervised toothbrushing in your setting

To take part in Let's Brush:

- Register to join the programme
- Receive online training (30 minutes)
- Implement daily toothbrushing

Fulfils EYFS
requirements

No sink
required!*

You can apply for £125 to further support oral health in your setting.

*only for rinsing toothbrushes

The many benefits include:

- Improved brushing technique
- Better compliance when cleaning teeth at home
- An additional brush to the two times at home
- Reinforcement of the habit

You'll receive:

- Equipment
- Training
- Guidelines and supporting resources
- Ongoing support
- Certificate for setting and all participating children
